Projects Recommended for Funding: Agencies recommended and approved for funding by the local ICH will be required to attend a mandatory final review. The authorized representative must have a strong knowledge of the application and the authority to make revisions to the approved project in order to strengthen the CoC's overall score. During this process OHS and the agency representative(s) will work together to finalize, and enter into e-snaps, project information for inclusion in the Partnerships final application to HUD.

OHS will notify the authorized representative identified by the agency of all subsequent submission requirements and meeting dates and locations. Local final submission dates in e-snaps will be determined by OHS staff when HUD releases the NoFA in 2013.

OHS is providing a listing of additional required documents in **Attachment I**. Be advised that it is the applicant's responsibility to ensure all required forms are submitted on time.
